A Petition Under 37 CFR 1.84(b)(2) for Submission of Color Drawings/Photographs, both black and white and color, was submitted in connection with the above-identified application on February 19, 2003. The petition was not accompanied by a showing that the photographs are the only practicable medium by which to disclose the subject matter sought to be patented in the patent application. Furthermore, the Petition has not been signed. Accordingly, the photographs are not acceptable.

The petition is Denied.
